**Notes**

- 1 Use a tick to record each bird seen each month
- 2 If birds are heard but not seen put an **H** in the relevant column.
- 3 If birds are seen overhead put an **O**.
- 4 Record nests of species breeding with an **N** in the relevant column.
- 5 List below what bushes/plants in the garden the birds have fed from.
- 6 Note earliest arrivals in your garden
- 7 Note latest departures
- 8 Note earliest hearing of bird songs.
- 9 Note last hearing of bird songs.
- 10 Please also note anything of bird or wildlife interest that occurs in or close by your garden.
- 11 Feeding - note what you feed the birds on - ie:- Water, mixed seeds, feeding fat, sunflower hearts, black sunflower, nuts, scraps etc.
